Admissions open — Academic Year 2027 (session 2027–28)

sportalcorporate.org · +91 90450 52679

What you can study

All programmes are awarded by Mind Power University, Bhimtal — a State Private University established by the Mind Power University Act, 2024 of Uttarakhand and recognised by the UGC — and taught on the university campus at Bhimtal, Nainital district.

PROGRAMME		LENGTH	ELIGIBILITY	FEE
B.P.E.S.	Bachelor of Physical Education & Sports	4 years	10+2, Any Stream	₹30,000 per semester

Diploma	Golf Management	1 year	10+2, Any Stream	₹1,00,000 per year
Ph.D.	Physical Education · Sports Management	Ask us	Ask us	Ask us

Doctoral programmes

The Ph.D. is offered in Physical Education and in Sports Management. Duration, eligibility and fee are set with the university and are not published here yet — ask us and we will give you the current position rather than an estimate.

About the golf degrees

Golf coaching in India has been a certification route — the National Golf Academy of India and the PGA of India both certify teaching professionals. Neither awards a degree, and we could find no Indian university that does, which as far as we can establish makes the B.Sc. the first. Both golf programmes run in partnership with Axiom, Netherlands, and carry a separate fee tier for international students.

The whole bill, not just the tuition

Tuition is billed in two equal instalments a year, so no family is asked for a full year in advance. Living on campus and the one-time charges are listed here as well, because they are two-thirds of what a first year actually costs.

LIVING ON CAMPUS — PER YEAR	TOTAL
Four-sharing ₹75,000 + ₹8,400 laundry	₹83,400
Twin-sharing ₹1,20,000 + ₹8,400 laundry	₹1,28,400
PAID ONCE, AT ADMISSION	AMOUNT
Application fee Non-refundable	₹1,200
Admission fee Non-refundable	₹5,500
Uniform	₹5,800
Caution money (deposit)	₹5,000
Total, payable once	₹17,500

A worked example — B.P.E.S., four-sharing

Tuition ₹60,000 per year + campus ₹83,400 + one-time ₹17,500

₹1,60,900 in year one, then **₹1,43,400** a year.

Twin-sharing: ₹2,05,900 in year one, then ₹1,88,400. Caution money is a deposit — ask us for its refund terms before you pay.

You study where your degree comes from

Most private sports programmes in India are taught in a rented building and awarded by a university the student never sets foot in. Ours is not. The Sportal IMPACT Campus is the Mind Power University campus at Bhimtal — the same university that awards the degree. Alongside our programmes it runs schools of commerce and management, engineering, allied sciences, arts and humanities, skill and vocational studies, pharmaceutical science and law.

Two things we would rather you heard from us

- The university was established in 2024, so it is new. What it is not is unrecognised — the UGC listing is the thing to check, not the founding date.
- Our first degree intake is Academic Year 2027, so there is no cohort on campus yet to tell you what it is like. Ask us anything specific and we will answer it straight.
